of the Keene stable. From the very moment that the barrier was raised, just the bend of the Futurity course, Sysonby was in front, galloping along easily yet ewiftly under wraps, with Nicol sitting per-fectly still in the saddle. At no period of fectly still in the saddle. At no period of the race was Sysonby in real danger, and he won, as usual, under a pull. The Century is a weight for age affair, so that Sysonby. three-year-old, carried 115 pounds, while S. Brown's four-year-old Broomstick picked up 126, with R. T. Wilson, Jr.'s Dolly Spanker and Mrs. L. Curtis's Eugenia Burch each packing 123. Nobody, as far as the

Spanker and Mrs. L. Curtis's Eugenia Burch each packing 123. Nobody, as far as the crowd in general was concerned, bet on Sysonby, for he was at the prohibitive odds of to 20, but Broomstick and Burch were heavily played for the place at 3 to 5 and 2 to 1, respectively.

When Sysonby came down to the judges' stand for the first time the crowd applauded him warmly because of his past achievements and his magnificent presence. His stride was easy and graceful as he bounded swiftly over the soft earth, and as Nicol had a firm hold on the reins the Melton coit's mouth was wide open. Several lengths behind him came Burch, followed closely by Spanker and Broomstick, the latter being held under restraint by Martin. As Sysonby turned into the backstretch Nicol took a firmer hold on the bridle and in a jiffy both Burch and Spanker out down his lead to a length. Then Nicol let out a link and the Keene colt drew away so quickly the crowd laughed. Just before he got to the far turn Sysonby was held hard again. Just as it had happened before, Burch and Spanker made a gallant dash to take the lead, and as they seemed to be about to draw up on even terms with him Sysonby dashed away once more. a gallant dash to take the lead, and as they seemed to be about to draw up on even terms with him Sysonby dashed away once more. It was the same thing over again in the stretch, Nicol toying with the others to his heart's content. With Burch on the outside of him and a length back, under the whip, and Broomstick trying to steal up on the rail Sysonby was never extended but just breezed home a winner by two lengths in such an easy manner that the crowd roared. Broomstick, who made his run through the homestretch, finished second a length and a half before Burch, who in turn beat Spanker a neck.

The running of the rich Flatbuah Stakes for two-year-olds, seven furlongs, Futurity course, developed the fact that Yankee Consul is one of the best colts of the year, if not the champion of them all. He met a field that was superior to that which ran in the Futurity as to class and won in handsome style, bik, g., Henry Rowland; Adonis, ch. g., Miss Mollie C. ARTFUL NOT TO MEET SYSONBY

WHITNEY MARE SAID TO BE UN-ABLE TO CONTINUE TRAINING.

Keene Colt Will Keep on Filling Important Engagements and Meeting All Co. iers He Has Won \$120,880 to Date This Year-Operations in the Ring.

A persistent rumor was in circulation at the track yesterday that H. P. Whitney's Artful will not meet Sysonby in the Annual Champion Stakes, two miles and a quarter, to be run next Saturday and that it is probable that she will not hook up in any race with the Keene champion this year. According to several turf sharps, Trainer John W. Rogers gave out the information yesterday morning that Artful was several to the control of t under the weather and had not been able to stand training, with the result that it would be impossible to have her fit and ready for next Saturday's race. While it would be perhaps unfair to say that Artful has so far dodged a race with Sysonby, it is a fact that she has been kept out of several engagements which the Keene oolt has filled, and that when there was a chance for a match race between these crack three-year-olds at Brighton Beach last July the Whitney mare was shipped forthwith to Saratoga. Sysonby's remarkable victories in all his races have served to earn for him the title of champion. He has met all comers and has beaten them with consummate ease. His triumph yesterday came fully up to the expectations of the critics, who predicted a practical walkover for him. So far this year Sysonby has won these races and amounts for Mr. Keene

Metropolitan Handleap...... \$5,658

Sysonby has other valuables ngagements, which he will fill, barring accidents. His success will place the Keene stable far in advance of all other winning owners for the year. Before yesterday's race, the colt drew a large crowd of admirers in the paddock. Mr. Keene, who has been ill recently, of weeks to see Syson by run, and was warmly congratulated on the victory. When the colt was cooling out, later on, he was again the magnet, horsemen in general expressing the opinion that he is the greatest thoroughbred that has ever been seen on an American track. Sysonby stepped the first quarter in the Century in 0:25 1-5, the half in 0:49 1-5, the mile in 1:42 1-5 and the mile and a half in 2:35. It was slow time, when compared to

with confidence and dened all entries of the opposing bowlers to dislodge them. The only wicket that fell on the winning team was that of E. H. L. Steinthal, who quickly succumbed.

Clarke's score was 41 and included several fine cuts. Both men were still undisposed of when stumps were drawn. Naturally the bowling figures were not good, but C. A. Worm got the wicket that fell, for 29 runs against him.

But for the patient display of A. S. Durrant the Zingaris would have made a much smaller total. He went in first wicket down and was last out for a score of 24. Clarke supplemented his good batting by bowling in splendid style, and he captured 6 wickets for 28 runs. Totals—Staten Isl and A, 102 for 1 wicket. Zingaris, 71.

The Thistles had as opponents the Yonkers team in an association game at Prospect Park and won by 27 runs. J. Gillette made top score in a well played innings of 27, and J. Greive played a not out innings of 21. W. S. Patmore added 13 and some good bowling by R. O. Waith with a record of 4 wickets for 8 runs and by F. A. Sargeant with 2 for 3, made the victory possible. For Yonkers R. Calderbank played in first class style and ran up 20 before getting out. Totals: Yonkers, 51; Thistles, 78 for 8 wickets.

Playing ngainst time and bowling the last few overs during a smart rainfall the Brooklyn Nomads succeeded in defeating Team B of the Staten Island Cricket and Tennis Club in the Metropolitan District League championship match by 45 runs after declaring their innings closed with only seven wickets down, at Livingston, Staten Island, yesterday afternoon. This result was accomplished by good work with the willow supplemented by exceptionally smart fielding on the part of the Brooklynites, who forced the game, which was limited to a little over three hours, from start to finish. Going first to the bat, the Nomads gathered 110 runs before they saw fit to send their opponents to the wickets, For 37 runs and A. Corbin, with 37, did the most execution, but J. L. Poyer took six wickets for 37 runs and

Gentiemen: I had a young horse which was castrated as a yearing and in throwing him he developed two thoroughins. I used two bottles of "Save-the-Horse" and he is now compictely cured, and he has never shown any signs of them since, and he is going on three years old. I had a mare four years old which was puffy around the legs and one bottle entirely cured her. I consider it without question one of the very best remedies in existence for the reducing of swellings and the removing of hiemishes.

Dear Sir: In reply to your inquiry of Aug. 22d, I beg leave to advise that we faithfully applied the medicine "Save the-Horse" according to directions, and whether it was the medicine or the careful attention we gave the horse, the windpuffs have entirely disappeared, and the animal is working every day; and, beside, never lost a day on account of this trouble. I am inclined to think that the medicine is all right and will recommend it to anyone whose horses are afflicted with windpuffs.

Yours truly.
